

August 28, 2020

The Town of Smithfield has contracted with Partnership for Rhode Island Streetlight Management (PRISM) for a three year term to operate, convert and manage all aspects of the streetlight assets in the Town of Smithfield, as listed on the latest version of the streetlight equipment assets provided by National Grid.

PRISM has a 24-hour/7-day per week call center that can be contacted for regular repairs and emergency calls at:

**1-866-773-7138**

**Reporting an outage can also be completed, via website:**

**[www.prismstreetlights.org](http://www.prismstreetlights.org)**

**Click on REPORT AN OUTAGE link:**
